### Joining hands in working together

Dear Mrs Clarke,

Thank you so much for your further donation of £200, which comes as a result of consequential Gift Aid from the original donation you sent, for £935.50. We are truly honoured to receive such a wonderful contribution, the total of which now comes to £1,135.50.

Please pass on our thanks once again, to the members of St Margaret's Church. The support from your community is helping us to bring safe, clean water to families living in rural dryland communities.

With many thanks and good wishes,

Kirsty Cunningham  
Individual Giving Manager
