27th January 2016

Dear Supporter

Thank you so much for the generous donation of £127.29, which we have received from St Margaret's Church. Your support will make a significant and lasting change in the lives of the people we work with. Please accept this letter as an official receipt.

Since Sightsavers began its work in 1950 we have supported over 265 million treatments for blinding and potentially blinding conditions, 8.4 million operations to restore sight and provided training to help almost 150,000 people with disabilities to live more independently. This was only possible through the generosity of organisations such as yourselves.

We are immensely proud of the numbers of people we are able to reach. With your support we can continue to restore sight and prevent avoidable blindness for men, women and children - changing lives and changing futures.

On behalf of everyone whose lives have been touched by your support, thank you. By working together, we have restored and protected the sight of thousands.

If you would like any further information or a volunteer speaker to update you on our work, please do not hesitate to get in touch via [speakers@sightsavers.org](mailto:speakers@sightsavers.org) and we will be pleased to help in any way we can.

Sincere thanks once again and best wishes to all the members of St Margaret's Church.

A handwritten signature in blue ink that reads "Heather Getty".
